Experience and Activities

- Gonzaga University Cura Personalis Living and Learning Community** **August 2021 - May 2022**
- Selected as a member of the Cura Personalis Living and Learning Community during my freshman year.
 - Participated in events and a semester class tied to mind, body and spirit themes and content.
 - Coached our community's intramural team where we won the campus-wide Freshman Games.
- Individual Fitness Training** **January 2017 - Present**
- Committed to an avid fitness and cardio training regiment for personal health and wellbeing.
 - Trained in the Central Catholic summer conditioning program including the off-site week-long training camp.
 - Worked on speed, cardio and fitness with Joe Morris, a two-time USA Track and Field Olympic Trials Finalist.
- Central Catholic HS Football Team Member** **June 2017 - December 2022**
- Two-time Varsity letterman and a member of the 2019 6A State Championship team.
 - Three-time member of the JV football team, two seasons playing for both the JV and Varsity teams.
- CC Football Leadership Council Member** **January 2019 - December 2022**
- Served on the prestigious varsity football leadership council working with coaches on team policy-making, team leadership and decision-making.
- Owner and Software Developer** **July 2019 - July 2020**
- Developed custom software/coding for sale through my own website while marketing it through social media and youtube.
- ID Tech: Make a YouTube Channel Animations and Digital Shorts** **June 2020**
- Participated in a tech program and used suite of Adobe products to produce and plan the storyboarding of digital shorts along with animations, GIFs, special effects and illustrations.
- Oregon Engineering Day Program** **February 2020**
- Participated in Engineer's Week High School program for students interested in STEM fields including workshops, an exhibit hall, a speaker presentation and a field trip to a Boeing manufacturing facility.
